DetailsApplyThe RN Care Manager serves as a Bachelor's level care manager with responsibility for assessing and coordinating patient care across the continuum utilizing accepted criteria and guidelines to manage benefits and determine medical necessity of services provided. The RN Care Manager functions as a clinician, case manager, and educator to achieve optimal clinical and quality outcomes by effectively managing care and resources to reduce unnecessary utilization. The ideal candidate has knowledge of care management and resource/utilization management, skill in care management and patient assessments, and ability to monitor, assess and record patient progress against a plan of care. The RN Care Manager candidate will have the ability to facilitate patient access to community resources, work collaboratively with both internal and external medical staff and external partners and organizations and assess, adapt, and calmly respond to changing and/or crisis environment. Ability to maintain confidentiality with all aspects of patient information in accordance with all applicable policies and regulations along with excellent verbal and written communication skills. * Location/Facility - [Enter Facility Name] (i.e. Baylor Regional Medical Center at Plano) For more information on the facility, please click our Locations link. * Specialty/Department/Practice - [Information Technology] (i.e. Critical Care, Radiology, Family Care) * Shift/Schedule - [Enter Shift & Schedule] (i.e. Days, Nights, PRN or Weekends; 30 hours/week_full-time_part-time) * Benefits - Our competitive benefits package includes*: * Immediate eligibility for health and welfare benefits * 401(k) savings plan with dollar-for-dollar match up to 5% * Tuition Reimbursement * PTO accrual beginning Day 1 *Note: Benefits may vary based upon position type and/or level. Baylor Scott & White Health (BSWH) is the largest not-for-profit health care system in Texas and one of the largest in the United States. With a commitment to and a track record of innovation, collaboration, integrity and compassion for the patient, BSWH stands to be one of the nation's exemplary health care organizations. Our mission is to serve all people by providing personalized health and wellness through exemplary care, education and research as a Christian ministry of healing. Joining our team is not just accepting a job, it's accepting a calling!Qualifications* Bachelor's degree * 2 years of experience * Registered Nurse * TX Driver's License * [Enter other preferred qualifications based upon job description or manager intake session.]DetailsApply
